EDUCATION

Imperial College Business School

MSc Finance

London, United Kingdom

Sep 2026 – Sep 2027

- Relevant modules: Advanced Corporate Finance, Advanced Company Valuation, Private Equity & Venture Capital, Mathematics for Finance.

BI Norwegian Business School

BSc Finance

Oslo, Norway

Aug 2023 – May 2026

- GPA: 4.5/5.
- Relevant modules: Investments (ranked among the top five in class), Corporate Finance (A), Options and Futures (A), International Financial Management (A), Financial Analysis and Valuation (A), Introduction to Quantitative Finance (A).

PROFESSIONAL EXPERIENCE

Nordea Abp

Client Advisor

Oslo, Norway

May 2026 – Aug 2026

- Supported over 30 clients daily with savings, investment and pension enquiries, identifying their financial needs.
- Ranked among the top-performing advisors in a cohort of nearly 200; contributed several million NOK in net client inflows and received multiple performance awards.

KPMG Norway

AML Analyst

Oslo, Norway

Sep 2025 – Aug 2026

- Screened over 200 high-risk entities against sanctions and PEP lists, identifying potential compliance risks and escalating findings for further investigation.
- Reviewed 20–30 transaction cases daily, consistently exceeding KPI targets while maintaining high standards of quality.

Kredinor AS

Debt Advisor

Oslo, Norway

Jun 2024 – Aug 2026

- Managed complex cases involving outstanding balances of several million NOK, securing repayment agreements in 55% of cases, approximately 30% above the team average.
- Trained new colleagues and supported them until they could manage cases independently.

SELECTED PROJECTS AND LEADERSHIP

CBS Finance Competition – Copenhagen Business School

Apr 2025

- Analysed a buy-side case in which TotalEnergies was considering entering the Danish biogas market through BioCirc.
- Valued BioCirc at DKK 4.3bn enterprise value (24.9x EV/EBITDA) and recommended a DKK 434m investment for a 10% stake, combined with joint ventures in CCS and Power-to-X to limit downside while retaining upside potential.

Equity Research Competition – Pareto Securities

Feb 2026

- Completed an equity research analysis of SATS within 72 hours, presenting a buy recommendation and target price.
- Valued the company using DCF and trading comparables, developing sensitivity analyses and a football field analysis to derive and stress-test the valuation range.

Senior Analyst – BISO Invest

Jan 2026 – May 2026

- Led four junior analysts in identifying investment opportunities and conducting company research.
- Pitched TSMC to the investment board, analysing value drivers and potential share price catalysts, supported by DCF and trading comparables.

Personal Investing

Jan 2024 – Present

- Manage a personal portfolio of NOK 500,000, primarily invested in Nordic equities and exchange-traded funds (ETFs).

SKILLS AND LANGUAGES

Finance and Analysis: Financial modelling, company research, DCF valuation, trading comparables, sensitivity analysis, and risk assessment in anti-money laundering and sanctions screening.

Technical: Python, R, Microsoft Office, Bloomberg Terminal, AI agents and automation.
